Your safety is our priority

We would like to remind you of the importance of following our safety regulations during your visit.

- Always wear mandatory protective equipment.
- Always follow the designated paths and your guide, and respect restricted areas that you are not permitted to enter.
- Pay attention to safety warnings and signs throughout your visit.
- Evacuation routes and assembly points are clearly marked – familiarize yourself with these upon arrival.
- In the event of an emergency, follow the staff's instructions carefully.

Heléns' safety regulations are designed to protect you and everyone at our facility. Thank you for contributing to a safe environment with us!
