For lengths from 2.4 to 12 meters, extra delivery time may be added. Lengths over 12 meters require special transport and must be handled separately, which provides other delivery conditions.

Collection may only take place by separate agreement. A minimum cost of 2,500 SEK will be charged.

TERMS OF CUTTING GOODS

PACKAGING

Costs for packaging are charged separately and will not be reclaimed, unless otherwise agreed.

CERTIFICATES

FREIGHT COSTS

Freight costs are based on freight table and zoning. However, with following exceptions:

- We reserve the right to charge additional costs for materials that due to length or weight reasons cannot be transported without special permits, devices or dispensers.
